Lets Contract To Build Mokena School Addition

R.C. Lif, of Lockport, a general contractor, has been awarded the contract for building the addition to Willowcrest School at Mokena.

His bid, which was the lowest of four submitted, was \$87,750.

The other bids were:

Sam S. Molaschi Construction Co., \$96,354; Lindblad Construction Co., \$97,260 and Ben B. Cabay Construction Co., \$100,997. All three bidders were from Joliet.

The addition is to be built thru a \$95,000 bond issue approved by the voters last September. Since the architect and attorney fees must also be paid out of the bond issue the board was fortunate to get Lif's bid. Lif's schedule calls for 200 days in which to complete the job.

When this addition is finished, according to Architect Watson Healy, of Healy, Morre & Associates, the cost of the entire Willowcrest building will amount

to \$441,048. Since it will contain 35,230 square feet upon completion of the new addition the cost will average \$12.50 per square foot, which is considered to be a bargain for an elementary building. Work is to be started on the new addition as soon as possible, it was said. Lif has built several schools and churches as well as commercial buildings, in addition to many homes.

Bids were to have been taken last night on the bonds. The bids were to be taken at the school office in Willowcrest School. It is understood that three area banks, Mokena State, Frankfort State and New Lenox State submitted a combined bid. It was the hope of school officials to get an interest rate of around 4 1/2 per cent. The board has been delaying the sale of bonds hoping for a break in the market that would be favorable to the seller. The market is said to be in that situation at the present time so the

school board expects to get a lower rate than had been prevailing.

Mokena Marine Finishes With Boot Training

Marine Private Michael Sheridan, son of Mrs. Lucille Sheridan of 19338 Center St., Mokena, was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot here.

He will now undergo about three weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

Mokena Auto Fees Advance \$2 On Jan. 1

Saturday, Dec. 31, not only is New Year's Eve but it is also the deadline for buying Mokena vehicle stickers at a discount.

Beginning Jan. 1 the regular fee of \$5 will prevail. Persons who buy their tags prior to Dec. 31 can get them for \$3, according to Village Clerk Alvin Sorensen.

The stickers may be purchased at his office, 19333 Wolf Rd.

First Baby Of 1967 Can Win Prizes

The annual "first baby" contest for the area included in Frankfort, Green Garden, New Lenox and Orland townships, will be conducted again with the winner receiving numerous prizes donated by various business houses.

The winner, of course, will be the first child Jan. 1, or after, to parents residing in the four townships since Nov. 1, 1966.

The child can be born at home or in a hospital. The parents, doctor, or some member of the family must telephone the Graphic Newspaper office at Mokena before noon of Jan. 6, giving the names of the parents and the time and place of birth. In event of a multiple birth the first child is the winner.

The telephone numbers of the Mokena office of the Graphic Newspapers are 479-9451 and 479-9321.

Knights To Play In Pontiac Tournament

Lincoln-Way High School varsity basketball team will not be idle during the holidays. It will be quite busy and the competition it will meet in the tournament at Pontiac should stand them in good stead for action in their own conference, the Southwest Suburban.

The Knights initial game at Pontiac will be against University High of Normal and is scheduled for 9 a.m. the opening day, Wednesday, Dec. 28.

The tourney is to run thru three days, closing Friday.

Besides Lincoln-Way and the Normal teams, the other schools represented are; Richwoods, Springfield, Lockport Central, Granite City, Alleman, LaSalle-Peru, Shelbyville, Bloom, Waukegan, Streator, Prospect, Pontiac, Sterling and Taylorville.

First round pairings are: Richwoods - Springfield; Lockport-Granite City; Alleman-LaSalle-Peru; Shelbyville - Bloom; Waukegan-Streator; Prospect-Pontiac; Sterling-Taylorville.

and Joliet.

Survivors include his parents, Mr. and Mrs. Ernest Edwards, who moved to Anaheim several years ago from Mokena; three sons, Walter Jr., Michael and Tracy; a brother, Ernest Jr., of Orange, Calif., and two sisters, Betz, Mrs. Robert Hommerding, and Anne, Mrs. Charles Burkhardt, both of Mokena.

The funeral services were held at the Hilgenfeld Mortuary at Anaheim.

Walter G. Edwards Dies On West Coast

Funeral services were conducted Monday, Dec. 19, at Anaheim, Calif., for Walter G. Edwards Sr., formerly of Mokena.

Mr. Edwards died last Thursday, Dec. 15 in a hospital at Anaheim. He had been in ill health for the past year.

Born in Chicago in 1928, he had resided at Mokena for 19 years, before going to California. For the 10 years preceding he had been in the perfataping business (which involves the treatment of drywalls) at Mokena

The Christmas Story --

According to the Gospel of St. Luke --

And it came to pass in those days, that there went out a decree from Caesar Augustus, that all the world should be taxed.

(And this taxing was first made when Cyrenius was governor of Syria.)

And all went to be taxed, everyone into his own city.

And Joseph also went up from Galilee, out of the city of Nazareth, unto Judaea, unto the city of David, which is called Bethlehem; (because he was of the house, and lineage of David:)

To be taxed with Mary his espoused wife, being great with child.

And so it was, that, while they were there, the days were accomplished that she should be delivered.

And she brought forth her first-born son, and wrapped him in swaddling clothes, and laid him in a manger, because there was no room in the inn.

And there were in the same country shepherds abiding in the field, keeping watch over their flock by night.

And, lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them; and they were sore afraid.

And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people.

For unto you is born this day in the city of David a Savior, which is Christ the Lord.

And this shall be a sign unto you; ye shall find the babe wrapped in swaddling clothes, lying in a manger.

And suddenly there was with the angel a multitude of the heavenly host praising God, and saying,

Glory to God in the highest, and on earth peace, good will toward men.

And it came to pass, as the angels were gone away from them into heaven, the shepherds said one to another, Let us now go even unto Bethlehem, and see this thing which is come to pass, which the Lord hath made known unto us.

And they came with haste, and found Mary, and Joseph, and the babe lying in a manger.

And when they had seen it, they made known abroad the saying which was told them concerning this child.

And all they that heard it wondered at those things which were told them by the shepherds.

But Mary kept all these things, and pondered them in her heart.

Setting Up Jr. College Election Is Big Task

County Superintendent of Schools Boyd Bucher is facing an herculean task in arranging for the junior college referendum that has been set for Feb. 14.

Supt. Bucher has nothing to do with acquainting the public with any information about the proposed junior college nor has he had anything to do with that part of the picture.

All he has to do with the election is to do all the work connected with setting it up. He does have help in outlining the boundaries for the precincts that will be created thru the law form of Grey, Thomas Wallace and O'Brien.

It has not been determined yet just how many precincts there will be but all agree that it will be well over 100.

The proposed junior college district takes in all of Will county except the Crete, Beecher and Peotone Unit School Districts, plus a small portion of Wheatland Township, a small piece of Wesley Township (about four square miles). A part of the Wheatland area would be in a Kane County junior college district and a piece of it would be in a DuPage County college district. The piece of Wesley excluded would be in the Kankakee college district, it was explained.

Also in the proposed district would be the bulk of Grundy county and that part of Kendall county in the New-ark High School District. A finger-like piece of this district also extends into LaSalle County.

Supt. Bucher pointed out that the number of polling places now serving the existing school districts would not suffice to serve the proposed junior college district.

In this election there must be polling places in the unincorporated areas as well as the incorporated areas because the vote must be kept and counted separately. To pass the proposition must have a majority of the vote cast in the incorporated area as well as in the unincorporated areas.

The Will County Board of Supervisors appropriated \$18,000 with which to meet the cost of this election. There isn't anything in the law which would require Grundy or Kendall counties to share in the cost but Supt. Bucher is hopeful they will agree to contribute on a basis proportionate with the amount of the assessed valuation involved, as some counties have done.

The law also requires Will county to pay for the cost of an election to choose a junior college board, should the college proposal be approved.

Three judges must be hired for each polling place but Bucher can set the scale of pay and doesn't have to follow the \$25 fee the county pays. He doesn't have enough money, he explained.

The law says that if the unincorporated area of a junior college district contains 30 per cent of the assessed valuation then at least two members of the board must be elected from the

unincorporated territory. More than 50% of the valuation of the proposed district is said to be in. There is no provision about dividing the other places on the board so it is conceivable, it was pointed out, that because it has the bulk of the population of the proposed district, Joliet Township could elect all seven board members, five from the City of Joliet and the other two from unincorporated area.

Location of the proposed college has still not been decided and some people have evinced some interest and curiosity in this phase of the proposal.

Liquor Commissioners Discuss Their Problems

Whether it was the holiday spirit or lack of current problems or both, the Frankfort village board adjourned early last Monday night, concluding its session a few minutes before 10 o'clock.

Because the first Monday in January is a holiday--it is Jan. 2 and since the New Year is ushered in on a Sunday the next day is also observed as a holiday--the board will hold its next session Jan. 9, the members decided.

At this week's meeting Village Attorney August Santoro gave a detailed report on the Illinois Liquor Commission's conference at Springfield which he attended with Mayor Glenn Warning, who by virtue of his office is liquor commissioner at Frankfort.

Before that, however, Trustee John Topp, head of the water and sewer department, reported that he had installed culverts where needed, had lowered some buffalo boxes but was finding it difficult to get help in cleaning leaves out of catch basins. His department is kept busy at all seasons. In the summer, however, when hydrants leak they just leak but in winter a leaking hydrant quickly becomes a frozen hydrant, he pointed out. So far only one frozen hydrant has been encountered and that has been repaired.

In reporting on the liquor commission conference at Springfield, Santoro said that bootlegging of illegal liquor (that's the kind on which no

taxes have been paid) is a major problem. Last year, it was reported at the meeting, 20 per cent of the hard liquor consumed in the U.S. last year, or 59-million gallons was the product of some 19,000 stills, 23 of which were operating in Illinois.

When national prohibition was in force there were two large stills that flourished in the Frankfort area but as far as is known the region is now free of moonshiners.

Santoro said that the conference gave considerable discussion to the three big problems involved in the retail liquor trade--the screening of applicants for licenses in an endeavor to keep hoods and felons out of the business; the invasion of saloons by minors and drunken driving.

Many minors alter or steal drivers licenses, draft cards or other means of identification in order to show they are 21 and so permitted to buy beer and booze, it was brought out and when caught it is the saloonkeeper who is penalized. An effort is being made to change the law to make the minor pay, it was reported. The secretary of state's office is now marking drivers licenses for teens as "Minor," and any attempt to alter it, Santoro said, disturbs a chemical so that

across the face of the license appears the word, "Cancelled."

It was also brought out that a favorite dodge of a minor picked up for drinking is to give an address of a saloon from which they had been told to leave and give a description of the bartender who had refused to serve them. In this way, like drug addicts, they do their best to protect their source of supply, that they refer to as "their friends."

Thirty-five per cent of all minors involved in fatal traffic accidents had been drinking, it was brought out. Drunken driving, Santoro said, was the third problem. A law is now pending which would require persons picked up for traffic violations to submit to chemical tests for alcohol and a change from .15 per cent of alcohol now considered evidence of intoxication be reduced to .10. The U. S. Supreme Court, Santoro said, has held that driving an automobile is not a right but a privilege and therefore a law requiring a driver to submit to tests for alcohol was not unreasonable nor an invasion of a person's rights.

Forty-four per cent of all fatal accidents are a result of booze, it was brought out at the conference, Santoro said.

Eagles Fall Prey To Bremen, 88-59

The Bremen Braves took fire last Friday night and proceeded to clobber the

Sandburg varsity five in convincing fashion, 88 to 59. Coach Bill Adams, of Sandburg has seldom had a team that wasn't a threat in the Southwestern Conference. Sandburg is usually found knocking at the championship door but this year has been a bad one to date.

Sandburg scorers were led by Jaeger with 16 points, all on floor shots. Pnazeck had 11 points, Taber, 10; McBride, 9; Snodgrass, 6; Pettit, 4 and Wegner and Tichman, 2 each.

Bremen had 36 baskets and 16 free throws while Sandburg registered 27 field goals and 5 free throws. Both teams were about equal as far as personal fouls were concerned, Sandburg had 19, and Bremen 18.

The score at half time was 51 to 24, Bremen.

L-W Drop-outs Well Under Natl. Average

Lincoln-Way High School is reported well below the national average for drop-outs.

The national average, according to a drop-out study made by the U.S. Office of Education, for 1963 (the last available figures) was 30.3 per cent. The drop-out rate in Lincoln-Way is 12.8 per cent.

In 1958 Lincoln-Way had a drop-out of 20.1 per cent. The class of 1958 started with 134 students as freshmen and graduated 107, with a total of 27 drop-outs. The

class of 1960 started with 190 students of which 30 left school before graduating or a drop-out of 15.7 per cent.

The most recent study shows that the classes that started in 1963-64 (present seniors), 1964-65 (present juniors), and 1965-66 (present sophomores), 12.8 per cent have left school.

Lincoln-Way is taking part in a statewide drop-out study called Illinois Crusade. It includes statistics on students who left school before graduating and covers the years of 1963 thru 1965.

FRANKFORT FIREMEN were called out Saturday afternoon (Dec. 17) to Hillside Drive, Lincoln Estates to extinguish a garage blaze. There was a fire under the hood of the car in the foreground and the fireman is spraying the burning seat in a second car, obscured by smoke and steam. The car in the foreground belongs to Walter Horton; the car hidden in the smoke belongs to a man listed on the fire report simply as Jacksey. The report states the two men were painting in the garage when an oil salamander overturned and started the blaze. (Graphic Newspapers photo)

Mokena Woman's Death Accident, Jury Finds

At an inquest conducted at Joliet Monday by Coroner Willard G. Blood the death of Mrs. Alfrida Borucki, 76, Mokena, the evening of the

preceding Monday, Dec. 12, was found to be accidental by the jurors. They made no recommendations.

Mrs. Borucki was struck

by an automobile driven by Arthur H. Buske, 60, of 187th St., who was enroute home from his work as a tool and die maker. She was believed to have died instantly.

According to testimony of Deputy Sheriff James Srygler, who investigated the accident, Mrs. Borucki was garbed in dark clothing and had started to cross Wolf Rd., from a point in front of her home, at about 185th and Wolf Rd. to get the mail. Investigators were told that it was a habit of Mrs. Borucki to pick up her mail from the box in the evening.

It was about 6 o'clock when the accident occurred and it was dark. Mr. Buske told Deputy Srygler that he did not see the pedestrian until too late to stop or swerve. There were cars approaching him in the northbound lane, the deputy quoted him as saying.

Kindergarten Has Party For Mothers

Telephone: 479-9321
On Wednesday, Dec. 21, the Happy Hour Kindergarten are planning a Christmas party for their mothers to be held at 10 a.m. in Fellowship Hall of the Mokena Methodist church. The following day, Dec. 22, Mrs. Wesley Sievert, teacher, will entertain the pupils with a party.

Mrs. John Weber, kindergarten chairman of the Mokena Woman's Club sponsors of the local kindergarten, stated at the club's recent meeting an inventory was taken of the kindergarten supplies and equipment. As the local grade school is planning to have a kindergarten class next September in the school, the local club will cease operation of the present kindergarten at the close of the school year. Following a discussion by club members it was voted to offer useable items of the kindergarten, excluding books, to James Ennis, superintendent of the grade schools to aid in providing equipment for the new class next fall.

Two recommendations were presented by the board to club members. To further aid in better news coverage a suggestion was made that various committees and department chairmen submit a short summary to the publicity chairman for submitting news to newspapers. Also that a welcoming committee be formed to visit new residents or others interested in joining the club.

Summit Hill Cub Scout Pack Number 10 held their December Pack meeting last Friday evening, Dec. 16, at the school.

Santa Claus made his annual appearance to distribute gifts to all the children present. Kids, one and all, sat on Santa's lap to receive their goodies.

Fruit punch for the youngsters and coffee for the adults accompanied the homemade Christmas cookies following the meeting.

The boys are planning their Christmas caroling for this evening, Thursday, Dec. 22. They will be accompanied by several of the fathers and will begin their tour of Arbury Hills at the home of Mr. and Mrs. John Kennard on 19625 Beechnut Drive. They will make a circle run and end up back at the Kennard Home for hot chocolate.

With the treasury being slowly depleted, it was decided to hold another collection of deposit bottles on the first Saturday following the holidays, Jan. 7, 1967. Finals details will be announced next week.

The girls of Junior Girl Scout Troop Number 103, under the direction of Mrs. Alice Kilgore, are dismantling the school Christmas tree which they had decorated with their hand made ornaments last week.

Each girl was then allowed to bring home all the ornaments she had personally made to add to the decorations on her home tree. As an added treat for the girls, Mrs. Kilgore had made enough additional ornaments, so that each girl had two more ornaments as a token gift to each.

The Girl Scout calendars that the troop had sold throughout the area as a fund raising project, was a financial success. There was enough profit for the troop to allow a troop outing to be planned in the near future.

Santa Claus surprised everyone in Arbury Hills last Saturday afternoon, when he managed an ingenious method of using his sleigh on the dry streets. The old met the new when the old time sleigh was mounted on dollie wheels on the runners and was being pulled by a garden tractor instead of Rudolph and his gang.

St. Mary's of Mokena presented their Christmas Operetta, "Davy's Star" to the packed house of beaming parents for two nights last week.

The children of the first, second, and third grades provided the cast. Remarkably few "fluffs" were in evidence, and the six teacher-directors, both lay teachers and nuns, had good reason to congratulate themselves on a job well done.

Our condolences are given to Rev. and Mrs. Travis Calvert of 9449 West Birch and family on the recent death of Mrs. Calvert's mother.

The Summit Hill Parent-Teacher Group held their December meeting at the school last Thursday evening, Dec. 15. Following the business meeting, there was entertainment provided in the form of a musical program, with the cast being from the fifth through eighth grades.

The Ann Rutledge P.T.A. held their annual Christmas party Monday evening, Dec. 12. We had a wonderful turn-out from the parents, who came out to hear their children sing. The group included all the children from the first grade through the eighth grade. The following adults; Mrs. Charles Scheeler, Mrs. Glenn Coburn, Mrs. Floyd Harmon, Mrs. Robert Wheeler and Jayne, Mrs. Robert White and Mrs. Lee Gericke joined the group in singing the carols. Mrs. Ethel Reed, who directed the singing did a marvelous job. Mrs. Richard Smith accompanied on the piano. The children also entertained with appropriate recitations. A thank you should go to the other teachers who helped make it a success. After the children's performance, the adults enjoyed a party that included a gift exchange and the singing of carols. Refreshments of Cherry slices and coffee were served by the executive board.

-o-

It was reported at the last meeting that the Homemakers bazaar cleared about \$200. We could like to express our thanks again to all persons who donated and worked at the bazaar to make it a success.

troop meets. Mrs. T. Ashley and Mrs. C. Lund are the leaders.

Junior troop 180 are making Christmas corsages and have the permission to sell them to their families and friends. The proceeds will be used for a winter camping trip to Butternut Springs, Ind.

Miss Nancy Chandler, 10257 Hyacinth Dr., was one of three students at the University of Illinois Circle Campus to win an annual Regensteiner Corp. scholarship.

Miss Chandler's father is pastor of the First Baptist Church of Orland Park, and her mother is a school teacher.

Yule Party

JAMES PEYTON
Telephone: 532-1516
The Tinley Gardens Homeowners Association Christmas party was held Saturday evening, Dec. 17, from 7:00 p.m. to 9 p.m. at the Summit Hills School in Arbury Hills. The party was attended by 50 children and their parents and congratulations are in order for Julius Sandy and his committee (too numerous to mention for fear of missing someone) who did a very fine job. There were games and prizes and refreshments and even the decorations were exceptionally nice. We also had recorded music as well as live music by our Vice Pres. Gerald Womack who played Christmas Carols while the children sang. Then came dear old St. Nick (HO HO HO) who passed out the grab bag gifts and then retreated to go on his way to his next stop. All in all the party was a huge success. To those of you who missed the party, remember, next year there will be another party.

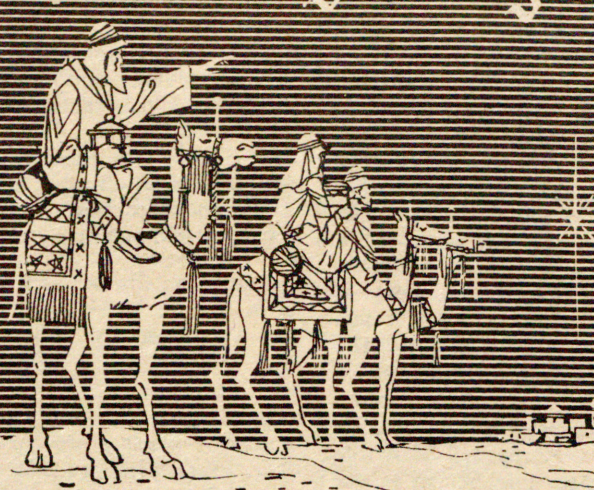

Preparations for the New Year's party are being made now and you will all be notified as to where, when and what to bring at a later date.

Congratulations to Mrs. Joyce Booher of Pleasant Ave. on her recent good luck in the Sunoco Sunshine Contest.

Let's all welcome Richard Sandy, son of Julius Sandy of Ethyl Lane, home from the U.S. Navy for a 15 day leave starting Dec. 26.

We, the people of Tinley Gardens would like to wish our fighting men a very Merry Christmas and a Happy New Year. Beginning with this issue, each of you will receive a year's subscription to the Mokena News so that you may keep up with the news at home while you are away. Congratulations for doing the job that we can all be proud of you for.

L-W Beats Reavis - - Vikings On Tonight

The Knights of Lincoln-Way--the basketball playing Knights in this instance--creamed Reavis in a SWS conference game last Friday, 87-47 to keep its league record clear.

What happens tonight (Dec. 22) is a question that has other teams and coaches in

the conference talking. Lincoln-Way will be host to Homewood-Flossmoor and it is expected that this will be quite a contest.

Homewood - Flossmoor, called the Vikings for short, has a good club and Lincoln-Way has a good club and the meeting of the pair will bring

out a large crowd. Better have your tickets in your pocket if you show up at the Knights' gym tonight. They are selling tickets in advance at Lincoln-Way.

In last Friday night's encounter the Knights opened up a wide lead in the first quarter and kept adding to it. The score at the end of the first quarter was L-W 21, Reavis, 10. At the half it was Lincoln-Way 46, Reavis 25. When the third frame was over it was Lincoln-Way 65 and Reavis 35 and the final score was 87-47 in favor of the Knights.

Mike Sietzinger was top scorer with 23 points and three others on the Lincoln-Way squad had double figures--Pat McCabe, and Dave Eden had 16 each and Bill

Sanfil had 14. Ihde had 5 points, Dilworth, 4, Mike McCabe and Warning, 3 each, and Martin 2.

Lincoln-Way had a .582

per centage on field goals and .840 on free throws. Reavis shot .306 from the floor and .646 from the free throw line.

The week before Lincoln-Way bested Sandburg, 66 to 31.

Couple Celebrates 50th. Anniversary

Mr. and Mrs. Herman Kuester, of Green Garden Township, will observe their 50th wedding anniversary on Saturday, Dec. 31 with an open house to be held in the basement of St. Peter's Church of Christ, Frankfort, from 1:30 to 4:30 p.m. All friends and relatives are invited to attend.

Mr. and Mrs. Kuester were married on Dec. 31, 1916 at Beecher, Ill., with the Rev. Going officiating.

They have lived for 36 years of their married life at their present home where they are farmers. Mrs. Kuester had been born and lived his entire life here.

On hand to help celebrate the occasion will be the couples two children, a daughter, Mrs. Robert Safford, of Crown Point, Ind., and one son, Wilbur, of Las Vegas, Nev. Also four grandchildren and ten great-grandchildren.

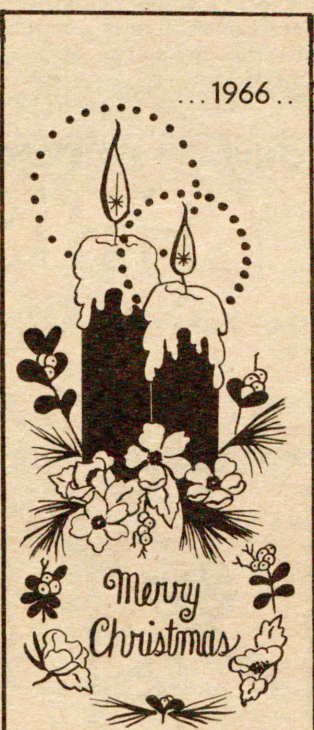

We sincerely appreciate your fine patronage . . .

TO COLLEGE SENIORS . . .

There are many employment opportunities for college graduates close to home with Illinois' largest industrial company, Illinois' largest exporter.

Caterpillar Tractor Co. in Joliet would like to explain the varied employment possibilities to students home for the Christmas holidays.

They are welcome to visit us at any time . . . however, we have set aside one day during the holidays as College Senior Day.

All college students expecting to graduate in 1967, including those subject to draft call, and all college graduates, including those in the armed forces expecting to be discharged in 1967, are invited to meet with us at the Joliet plant of Caterpillar Tractor Co. on Wednesday, December 28.

A short program will begin at 10:00 a.m. with a welcome to the group by Peter Donis, plant manager. The day will include a tour of the plant, lunch in the cafeteria and personal interviews with men familiar with the types of work available at Caterpillar.

Will you please make a reservation by filling in and mailing the coupon. If it is more convenient to phone, call Area Code 815, 723-0671, extension 318.

Area Villages Join In Safety Campaign

"Light Up and Live" is again the watchword of the state's official Traffic Coordinating Committee for the holiday period and village mayors in Frankfort, New Lenox, Mokena and Orland Park have issued proclamation urging public support of the move to reduce the toll of traffic deaths and injuries.

The police departments of

those communities have also joined in urging drivers to use care and caution so this can be a joyous holiday instead of a tragic one.

State officials urge that beginning now and continuing until after New Year's Day all motorists keep their lights turned on during day-light hours as a reminder that the difference in living or not living can be a mo-

ment of carelessness or inattention or an alcoholic glow.

Motorists should remember, however, it was said, that the law of the state prohibits the use of parking lamps while driving, day or night, altho there are many drivers who persist in ignoring this statute without attention by police. In the "Light Up and Live" campaign low beam headlights

are to be used.

Meanwhile embalmers are getting ready for a busy time as the National Safety Council predicts many, many mortuary slabs will be occupied by traffic victims in the next 10 days.

hints for homeowners

BY RICHARD DeLANO
ASSISTANT COOK COUNTY
FARM ADVISER IN ORNA-
MENTAL HORTICULTURE
AND FLORICULTURE

Poinsettias and Christmas trees are plants that are part of our Christmas tradition and so are frankincense and myrrh. You may not realize it but these gifts to the Christ Child are products of two very rare and unusual trees.

It is very unlikely that you would grow one of these shrubby trees in your garden as they are native to the tropics. In fact I have not been able to locate an arboretum in North America that has even one of these plants in their collection.

Boswellia carteri, from which frankincense is produced, and Commiphora myrrha, from which myrrh is produced, are grown only in a very small restricted area of the world. They are found mainly in the im-

passible rocky portions of Ethiopia. In ancient times this area was called Sheba. Both of these plants are also found wild in the area immediately across the Red Sea in that small portion of Southeastern Arabia which was formerly called Arabia Felix.

The fact that these plants are so difficult to grow did much to raise the price of their previously treasured products. In nature they grow from seedlings which sprout in very rocky ground.

Although King Solomon grew frankincense and myrrh producing shrubs in his garden, no one else has succeeded. An attempt was made at one time to cultivate the small frankincense tree on a level cultivated plain. However, the people indigenous to the area were quite skeptical about the venture, feeling it was contrary to the will of Allah and to the

rules of nature. However this was a sheepherding economy that was now adept at agriculture. The frankincense and myrrh were merely harvested by this people in a very haphazard fashion. Several years after planting, the orchard was destroyed by a flood. This justified to the local people the futility of planting frankincense and myrrh trees.

Frankincense and myrrh are both gums that are pro-

duced by wounding the small frankincense tree and the thorny myrrh shrub with a sharp tool. The wound is about one to two inches long. From this a sticky gum is produced, much as that produced by wounding a peach tree. It is quite important that the harvesting be done only in the dry season, inasmuch as the winter rains would seriously affect the gums. Native collectors strip the material from the trees and send it to Port of

Aden or Bombay. From there it is shipped throughout the world.

Both products are still available in commercial trade and may be ordered from wholesale Chicago drug firms by local druggists. However the consumption is very small. Modern use is limited to incense for religious services and to a slight extent for medicines,

especially dental preparations.

The odor of these gums, when burned, gives a slight balsam-like fragrance. Thus the aroma of the fresh Christmas tree in our home can bring a memory of that first Christmas long ago when the Wise Men brought their symbolic gifts of gold, frankincense and myrrh to the Christ Child.

Will and South Cook area farmers will have an opportunity to learn about dollars in soybean production and marketing at the Jan. 4 and 11 Clinics at Francis 4-H Field says A.A. Wicklein of Will County and William White-side of Cook County, farm advisors.

University of Illinois Co-operative Extension Specialists Oschwald, Mulvaney, Moore, Scott, Reynolds and

Farris will be the resource people.

The presentations at these educational meetings will be backed by research conducted on the various experiment fields in Illinois. The meetings will be from 10 a.m. to 3 p.m. at Francis 4-H Field, New Lenox. Lunch will be a Dutch treat.

Soybean and corn growers will be interested in these two educational meetings.

Sandburg Wrestlers Win 2 More Matches

By Jim Brandt

Carl Sandburg's wrestlers chalked up two more victories with a win over Homewood - Flossmoor and a first place finish in a tri-school meet in which Bloom and Oswego also participated.

Against HF, the Eagle grapplers started off with a 12-0 lead as Duane and Bill Palmer, Larry Bernard and Mike McCloy won decisions. Later Quentin Wolff, Tom Pierson and Mark Leatzow added nine points to the Eagle score. Ray Zadravetz and Greg Schilkun closed the match with pins for a final score of 31-13 in favor of the Eagles of Coach John Anderson.

The sophomore and freshmen teams also beat Homewood - Flossmoor. The sophs laid it on thick with a 35-8 win while the frosh squeaked by, 30-25.

Six Eagles led the way in the 3-team meet by scoring two victories against varsity wrestlers from Bloom and Oswego. The Eagles winning two were Larry Bernard, Quentin Wolff, Tom Pierson, Mark Leatzow, Ray Zadravetz, and Greg Schilkun. Duane Palmer and Doc McGhee contributed single wins. The final score was Sandburg 54, Bloom 47, and Oswego 26.

Christmas Message Of Bishop Burrill

The 1966 Christmas message of the Rt. Rev. Gerald Francis Burrill, Bishop of the Episcopal Diocese of Chicago will be read in all parishes of the diocese, including those in Palos Park, Tinley Park and New Lenox. The message

reads:

"Life is complicated and can be defeating. We are beset on every side with evidence of man's sin and violence.

"Small wonder that for many this short pilgrimage of three score years and ten

seems more than they can bear.

"Yet, even as we are tempted to despair of finding any ultimate meaning and purpose in life, Christmas comes as reassurance. Christmas quickens the hope deep within us that the most precious aspect of life is indestructible. Christmas tells us that the love of God for man and of man for man

can overcome all else.

"Christmas is the feast of joy. It speaks to man of the eternal hope in the Creator of all life. It speaks of the love of God, revealed in the fullness of time, in the birth

of a Babe.

"How simple and yet how profound that God should speak of His Creation in such elementary terms -- understood by the youngest child and the oldest seer."

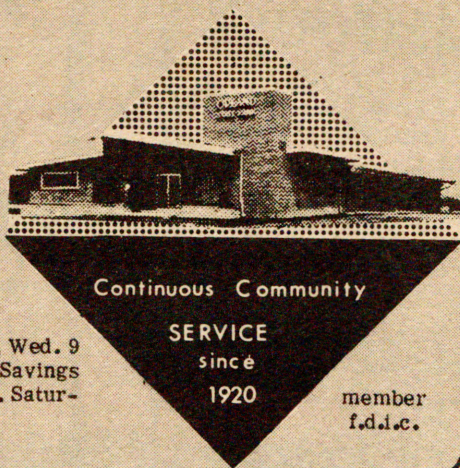

"Our Story Of The Christmas Carol"

The warmth, joy and "spirit" of this season is of times expressed by the singing of carols. Carols that lift us "up above" the fast hum - drum pace, to the quiet, simple, peaceful atmosphere beyond. Here the true environment surrounds the season. This is the plateau far above the clatter, from which we wish to express our sincere "thank you" for your patronage in 1966, and extend from the Officers and Directors ... Seasons Greetings.

Nusbaum To Serve At World Jamboree

Morton H. Hollingsworth of Joliet, chairman of the 4-State Regional Leadership Selection Committee for the Boy Scouts World Jamboree, has announced the selection of Weldon S. Nusbaum, of Frankfort, to serve as an Assistant Scoutmaster at the Twelfth World Jamboree.

Hollingsworth stated that

some 150 Scouters were interviewed to fill 54 positions in the four state area of Michigan, Illinois, Indiana, and Wisconsin.

Nusbaum will serve as an Assistant Scoutmaster to one of the 15 units representing Region 7 at the World Jamboree to be held at Farragut State Park in Idaho from

Aug. 1 - 9, 1967.

Mr. Nusbaum, who resides at 245 W. Nebraska St., has served as an Assistant Scoutmaster in Troop 270 of Frankfort and as a Neighborhood Commissioner. He is employed by the federal government in the immigration department, Life Scout Steven Nusbaum, son of Mr.

Nusbaum, will also be attending the World Jamboree as a representative of Rainbow Council.

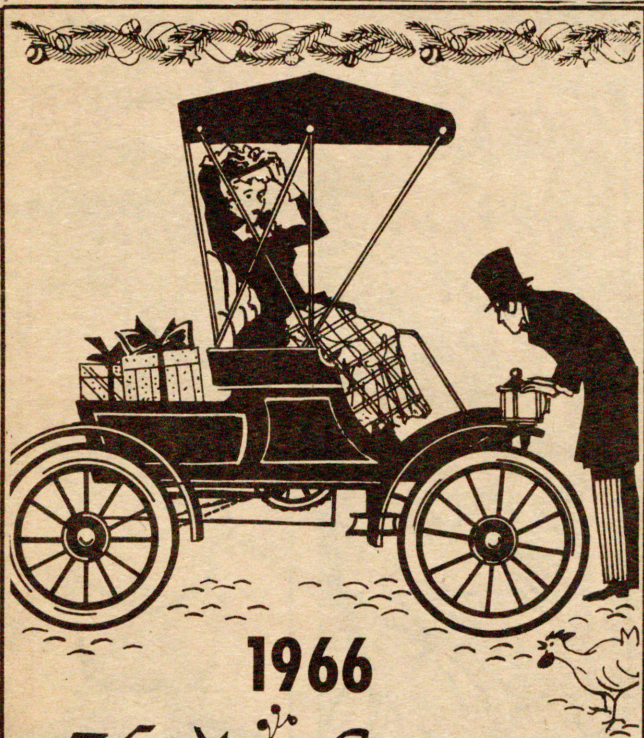

Hollingsworth stated that the selection of the leaders for the Jamboree was based on leadership ability, camping experience, and knowledge of world affairs.

Our sincere best wishes for a happy and merry Christmas.

Urge Permanent License Numbers

Petitions to Gov. Otto Kerner and Secretary of State Paul Powell are being circulated to enlist their support at the 1967 session of the Illinois General Assembly for a permanent motor vehicle registration and license law.

The AMVETS -Department of Illinois, Illinois Police Association, Fraternal Order of Police - Illinois

State Lodge, Policemen's Benevolent and Protective Association of Illinois, and the Better Government Association are circulating the petitions thruout the state.

Under the proposed permanent registration and license law, each automobile owner would be assigned a permanent license number. In addition to a license plate which would last at least

three years, each motor vehicle owner would also receive a decalomania, bearing the same number as the license plate, which would be displayed on the windshield of trucks and on the rear window of automobiles. Only a new decal would be issued each year thereafter, bearing the same license number.

The proposed law will apply to all motor vehicles using the highways, including automobiles, trucks, trailers, and motorcycles.

The proponents of the legislation contend that there would be substantial savings of money, since it would be cheaper to issue a decal each year than new metal plates. Mailing costs alone would be reduced by 21¢ each year for each application.

The law enforcement agencies point out that this system would prevent the use

of fictitious license plates, aid in the quick and proper identification of owners and vehicles, prevent false registrations, eliminate unnecessary and unproductive investigations, aid the police in locating the owners of motor vehicles, prevent the harassment of law abiding motor vehicle owners and deter the commission of numerous crimes.

Steve P. Hanna, Chicago police detective who has been conducting a one man campaign since 1948 and now has obtained the backing of five major organizations, says that the proposed bill will provide for efficient administration, effective law enforcement, economy of operation, protection of the rights of all honest motor vehicle owners, and will provide the greatest deterrent to crime of any single law ever enacted in this state.

Copies of the petitions to Governor Kerner and Secretary of State Paul Powell can be obtained from any of the organizations, and the aid of all other organizations in signing and circulating such petitions for support of such legislation is urged by the sponsoring groups.

tips for

Long Distance
this
Christmas*

Ways to save money

With Christmas falling on Sunday this year reduced rates for your holiday Long Distance calls will extend over a three-day period.

Low "evening" station-to-station rates are in effect all day Saturday until 8 p.m. and all day Monday until 8 p.m.

The lowest station rates apply any time on Sunday and after 8 p.m. on all other days.

The same low rates will be in effect during the New Year weekend.

Because more calls are made—and to more out-of-the-way places—during the holiday season, some calls will be delayed. But we'll get your call through as soon as we possibly can. And here are some tips that will help us give you faster service.

Ways to help avoid delays

Calls will go through faster early Christmas Eve, the early morning of Christmas Day, or any time Monday, December 26. If you'll call during one of these times, you'll avoid the busiest calling periods, and not have to wait for your call to go through.

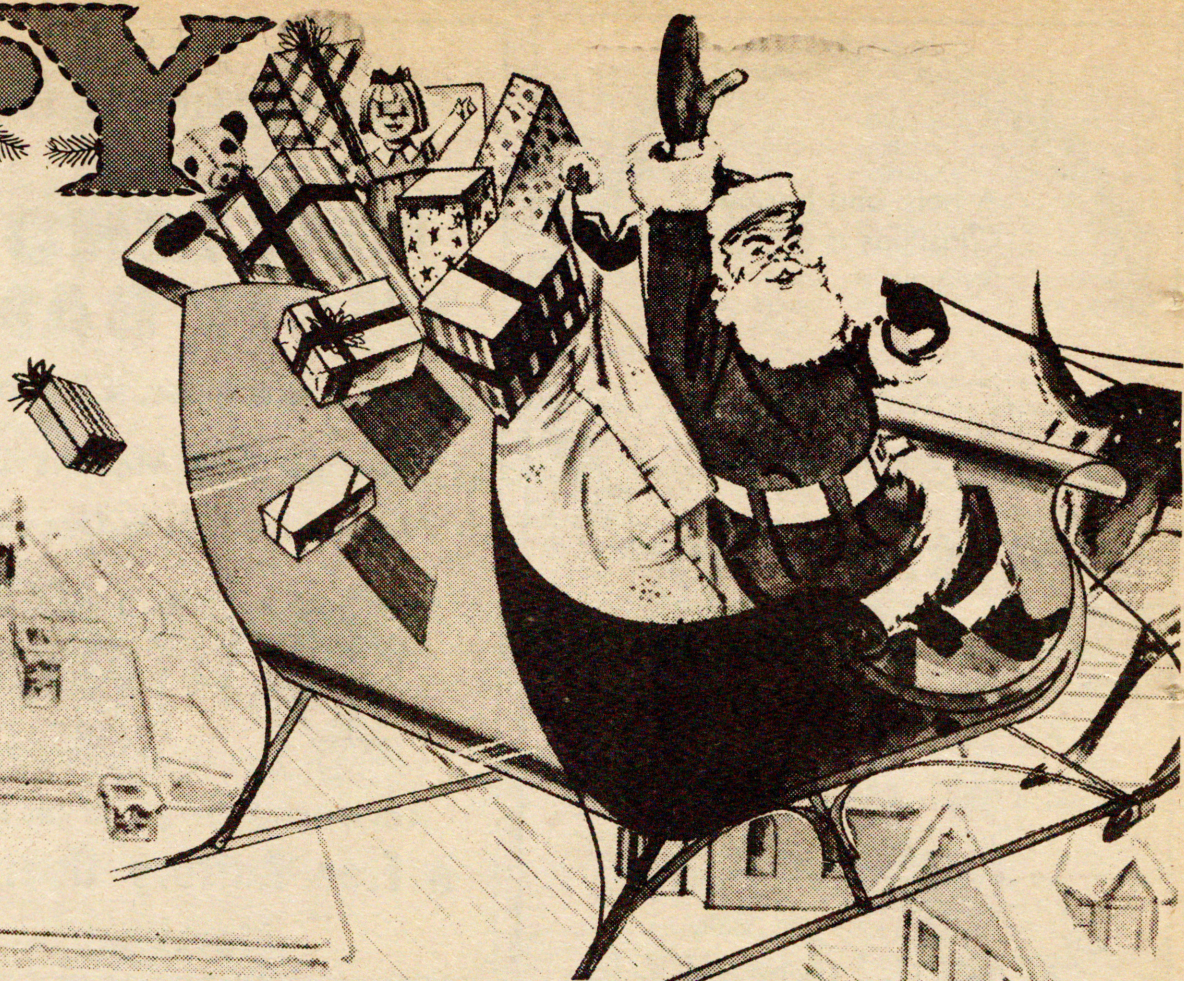

Use Direct Distance Dialing to get your call through fastest. Check the front pages of your directory for complete dialing information. If your call doesn't go right through, hang up, and wait a while before trying again.

If you want to call person-to-person or collect, give the Long Distance Operator the Area Code of the community you're calling. That will help her place your call more quickly. Most Area Codes are listed in the front pages of your phone book.

Eagle Wrestlers Are Going Great

Eagle wrestlers are in the midst of a successful season as the varsity record is 6-2, the sophomores are 8-0, and the freshmen squad is 4-1 as holiday matches approach.

All the Sandburg squads plus the junior varsity will wrestle at Rich Central Dec. 22 at 7 p.m. The Rich Rocket Tourney of Dec. 28-29 will involve the varsity and JV squads. The next home meet is Jan. 6 with Rich East. On Jan. 7, the varsity tangles with Granite City, Lockport, and Pekin at Pekin.

Varsity wrestlers still undefeated are heavyweight Greg Shelkun, 145-pounder Tom Pierson, and Quint Wolff and Larry Bernard.

Idea For Christmas Gift - - Fishing Trip

BY JAMES MATTHEWS Boys of high school age who would like to spend ten days next summer on a Canadian fishing trip should contact Coach Joe Devine at Carl Sandburg High School.

Devine is organizing his third "Black Bear" fishing trip to the Canadian wilds. The dates will be June 9-18, with the boys back in time for summer school or jobs, the Sandburg varsity football coach emphasized.

Any boy of high school age is eligible, Devine said. "A good Christmas present might be a down-payment on your boy's camping trip," the coach suggested.

Black Bear Lodge is located on Red Lake in Ontario. The lake is 50 miles long and is 50 miles northwest of the town of Red Lake, Ontario. Northern pike, walleye, and lake trout abound in the waters that can only be reached by seaplane or by boat.

The boys will be housed in log cabins. There is a main lodge for eating and for leisure activities. There are five active gold mines in the area, but fishing, eating, and sleeping seem to be the main interests of past groups of boys, Devine said.

Featured last year were shore lunches cooked by Coach Devine and served to

Ray Zadrovetz has no losses, but has been tied twice.

Coach Chuck Zboray's sophs are tied with Reavis and Oak Lawn for first in the conference. Mike Navarro, Jerry Lucas, Joe Fitzpatrick, Matt Pernal, and Jim Jelonek have paced the squad thus far.

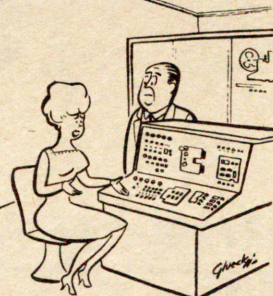

Evergreen Park edged the Sandburg freshmen 24-21 Friday. Coach Charles Harnish had to give 5 points in forfeit because they have no heavyweight. It was the first loss for Harnish after 27 dual victories in a row. Bill Picci, Doug Robinson, Rick Vincent, Jerry McCarthy, Mark Gifford, Ben Hyink, and Keith Pnazek have winning records for the frosh.

WORTH TALKING ABOUT

"I want to say a word about that misunderstood term automation. It is people, not automation, that make our kind of products. Automatic devices and systems will create jobs, not jeopardize them. In the years ahead we can expect to achieve the maximum efficiency present technology can provide; increases in production thereafter will be achieved largely through more shifts; more people. But without the assist from technology we wouldn't have the flexibility, nor the efficiency for such growth in the first place. Let me emphasize, automation is not the end but the beginning of job opportunities."

TB Association Reminds Public To Send Seal Checks

A total of 22,340 reminder cards were mailed Dec. 12, 1966 from the Will County Tuberculosis Association to all those who had not answered their Christmas Seal letters, according to Jack Parkinson, Christmas Seal Chairman.

Mr. Parkinson is urging every person to use Christmas Seals generously to support the Will County Tuberculosis Association's efforts to check the spread of the disease. The Christmas Seal Campaign which opened November 2, will continue through December.

"Great progress has been made in the years since the voluntary Tuberculosis association such as ours began their fight against the disease," Parkinson stated. "Deaths from the disease have been cut drastically.

But there are still more than 3,000 new cases of Tuberculosis reported in Illinois each year. As Tuberculosis is an infectious disease, we still have a long way to go before it can be brought under control like other such diseases."

Total returns are \$25,-091.96 in comparison to the returns at the same time in 1965, this is \$204.63 behind the same date last year, Parkinson said.

Parkinson also noted that if you have received a reminder and have sent in your contribution, perhaps it crossed in the mail. If it has been mailed some time ago, we ask that you notify us so that we can try to trace it while we are still able to get the necessary information about the letter.

CARD OF THANKS
 We wish to extend our sincerest appreciation to our friends, neighbors and relatives for their thoughtful remembrances during the illness and sympathy shown us during our recent bereavement over the loss of Anne Keuch. A special word of thanks is offered Rev. Buelmann for his comforting prayers and visits and to our friends for their generous memorials.
 The Family of Anna Kuech

CARD OF THANKS
 We wish to take this means to thank all of our many friends for their many kindnesses shown us during the last illness and passing of my dear wife and our mother. We also wish to thank all of the kind people who donated money and flowers for St. Matthews Church. And to Pastor Schaller for comforting presence.
 William Erfort and Family

CARD OF THANKS
 Mr. and Mrs. Anthony Kunkel and family, 908 John St., wish to express their deep appreciation to members of the Lemont Fire Department for the efficient and courteous assistance they gave in response to our emergency last Saturday night.

CARD OF THANKS
 Mrs. Owen Homerding Sr. wishes to thank all her relatives, friends and neighbors for the many prayers, cards and acts of kindness during her recent stay in the hospital. A special thanks to Father Coyle, Father Sivore and to the men of the St. Vincent De Paul Society.
 Mrs. Owen Homerding Sr.

CHRISTMAS

The Time for Joy... The Time for Happiness... The Time for Love

Give Generously of Kindness and Friendship during This Holy Season

During Christmastide over nineteen hundred years ago, three Oriental kings followed a wondrous star to the little town of Bethlehem where they bestowed glorious gifts upon the tiny Christ Child. During this beautiful season, this year, let our star of love shine brightly, and bear the gifts of joy and friendship to family, friends and acquaintances both far and near.

With warmest appreciation for your kind and courteous patronage, we extend our fondest wishes for a joyous and happy Christmas season to you and yours.
